About me

I specialize in comprehensive interior design, combining functionality, aesthetics, and a strong eye for detail. I guide clients through the full process, from concept and bespoke furniture design to the selection of furnishings, lighting, sanitaryware, and final materials and finishes. I am looking for projects where I can fully apply my experience and contribute to a high-quality delivery process.

Work experience

Aedi atelier s.r.o. / Interior designer

02/2023 – 03/2026
